

NORQUANTIA FINANCEFLOW AI

AI Finance & ERP Process Audit for SMEs

Identify manual work, ERP inefficiencies, automation opportunities and practical AI use cases - in days, not months.

Core offer

AI Finance & ERP Audit
EUR 1,995 fixed price

Delivery target: 5 business days after agreed input is received.

Book a FinanceFlow AI Audit

Typical problems we find

- ✓ Invoice approvals managed by email
- ✓ Monthly reporting based on copy/paste
- ✓ ERP used as an archive instead of a management tool
- ✓ Excel models with hidden operational risk
- ✓ AI tested informally, but not embedded in workflows

What is included

<p>Structured intake Focused questionnaire and 90-minute discovery session.</p>	<p>Process review Finance processes, ERP usage, reporting routines and Excel dependency.</p>
